

# Pre-departure checklist

## *Garden*

- Has the barbeque been cleaned and put in the garden shed ?
- Are the parasols stored in the garden shed ?
- Is the hammock in the garden shed on the right place ?
- Is the garden hose rolled up again and is the tap turned off ?
- Is the garden furniture back in the garden shed ?  
(not necessary in summer)

## *Home*

- Are the fridge and the freezer in the basement empty? Is the wall socket pulled out? Are the doors of the fridge and the freezer open ?
- Is the sauna switched off ?
- Is the fridge in the kitchen empty ?
- Has the dishwasher been emptied and are the dishes back in the cupboard ?
- Is the oven switched off ?
- Is the house swept ?
- Have brooms, hoovers, used coat racks from the sauna area, baby bathtub, moved decoration pieces for grasping children's hands, etc., been left back in their original place?
- Are the coffee maker and ashtray empty and washed ?
- Are all rubbish bags and other waste (bottles, paper and cardboard, ...) deposited in the container and is the key back in its place ?
- Has the dirty linen been removed from the beds and collected in the living room?
- Are all taps closed?
- Are the TVs switched off?
- Are all the lights off ?
- Was the heating turned back down ? (studio 10° - home 18°)
- Are all windows and inside doors closed ?
- Are all outside doors locked (studio, veranda) ?
- Did you take a picture of the meter reading and send it to us ?
- Did you send photos of the possible damage?

**Thank you** for helping us to keep the costs of energy, water, electricity and maintenance as low as possible.

**Thank you** for helping us to ensure that the guests after you can enjoy their holidays in a cosy home.

Safe journey back

Ilse and Dirk
